PROMPT # 3: THE NEW GUY/GIRL

Write a single scene in which your main character (MC) meets someone new. For this prompt, they should be the same type of being as the MC (if they're a human, human. If an appliance, another appliance). Make sure to describe them to the reader (physical traits, personality, clothing [IA]). They may also reveal tidbits about their background to the MC along with hopes and dreams...or evil plans... You're telling a story, not a newspaper account. Weave their description *into* the story.
