PRE-READER REVIEW

Pre-readers help authors see what they've missed. To be an effective writer, you must clearly depict all elements of your story. Using this worksheet, swap stories with a partner. Write down each element of their story below. Then, give the paper back to the author to review. Authors, check and see if your reader understood your story. If they did, congratulations! If not, you may need to make a few adjustments. No sweat!
