

Tip #1

To Outline or Not to Outline?
I would encourage you, for this last prompt, to write at least a basic outline. It will help you stay on track and keep your word count down.

Tip #2

-Trust yourself.-

You are a storyteller. Inside you is everything you need to tell your stories. I hope I helped with getting it out on paper, but you provided the creativity.

-Don't hesitate to reach out.-

If you need a second pair of eyes, an encouraging word, or a little bit of nudge, my "door" is always open.
